

## WISDOM BLACKBOARD

Intelligent dual core · All-in-one design · Full-fit flat-screen display

The Maverick Smart Blackboard is based on the core technology solution of F-Engine, deeply customizing the underlying software and hardware, combining traditional blackboard writing on the blackboard with high-precision capacitive touch, ultra-high-definition large-screen display, and full-fitting technology to create interconnectivity and easy learning. A new type of blackboard form that is easy to use and combines soft and hard.

## Global Blackboard

- ※ Chalk and water pen can be written and erased in any area
- ※ Integrated plane structure improves writing quality

## Precise Touch

- ※ Intelligent recognition of touch accuracy to change the operation mode to improve the touch experience
- ※ 20 points of simultaneous touch, to meet the needs of teachers and students for daily multi-tasking and multi-person interaction

## CLASSB Civil Grade

- ※ Electromagnetic compatibility CLASSB civil grade, protect the safety and health of teachers and students

## Full-featured Type-C

- ※ Support 50W fast charge, can achieve 60hz 4k image lossless transmission
- ※ With USB high-speed docking station function
- ※ Synchronous display, synchronous touch return

## Intelligent Engine

- ※ Unified account, multi-level smart terminals connected in series
- ※ Unify data, share resources across platforms and systems
- ※ Unified management, unique account, lightweight human-machine experience

## Healthy Eye Care

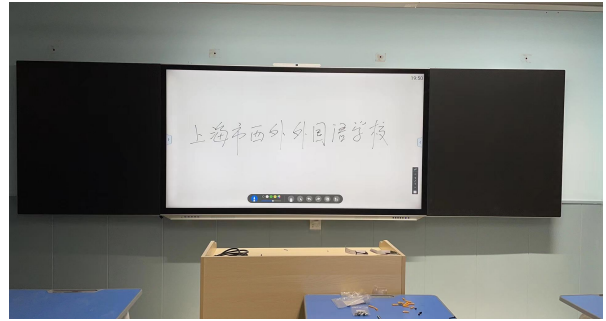

- ※ Filter harmful light
- ※ Turn on anti-blue light, protect the eye health of teachers and students
