

# Computer All-in-one Machine

GAOKEview®

## Product Features

### Fingerprint unlock

Fingerprint recognition technology allows you to unlock your computer with just a touch, significantly boosting your productivity.

### 24 inch super narrow side

The combination of a 24-inch large screen and ultra-thin bezel provides a greater viewing area, making every detail come to life.

### Screen lift rotation

The display supports vertical adjustment, accommodating users of different heights and providing an ergonomic experience.

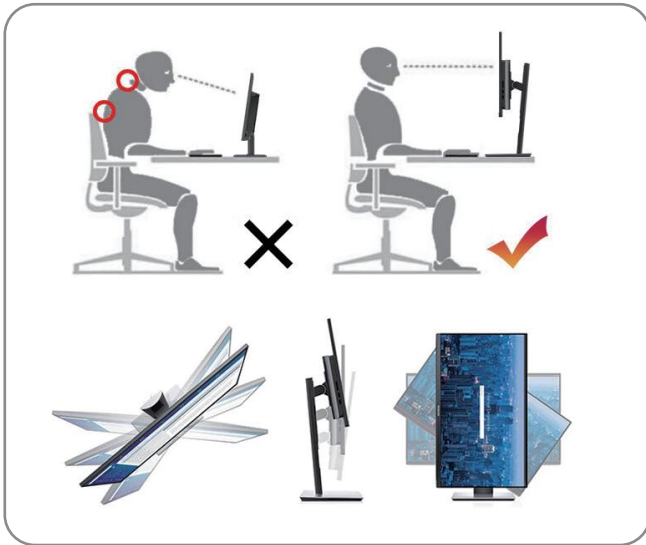

### 5MP retractable camera

To provide you with an excellent video experience and privacy protection. Only use when needed to ensure your privacy and security.
